

Owens Corning Trademarks in the United States

MARK	GOODS or SERVICES
#	
A	
	Asphalt roofing membranes
AC AIRSEAL®	Asphalt roofing membranes
AC DECKSEAL®	Asphalt roofing membranes
AC EAVESEAL®	Asphalt roofing membranes
AC FLASHSEAL®	Asphalt roofing membranes
AC FOUNDATIONSEAL & Design	Liquid air barriers
AC GRANULAR®	Asphalt roofing membranes
AC GRANULAR ICE AND STORMSEAL®	Non-metal asphalt roofing membranes
	Roofing membranes
AC HYDROSEAL 3000®	Asphalt roofing membranes
AC POLY®	Asphalt roofing membranes
AC POLY ICE AND STORMSEAL®	Non-metal asphalt roofing membranes
	Non-metal flashings
AC TILESEAL®	Asphalt roofing membranes
AC TOPSEAL®	Asphalt roofing membranes
AC TOUGHSEAL®	Asphalt roofing membranes
AcoustiMax™	Non-woven glass fiber mat for ceiling applications
Advantex®	Glass fiber reinforcements
ANTI-CRAK (Stylized)®	Alkali resistant glass fiber used for the reinforcement of

Owens Corning Trademarks in the United States

	cementitious mortars and concrete
ANTI-CRAK Logo®	Alkali resistant glass fiber used for the reinforcement of cementitious mortars and concrete mixes
Arborcoustic®	Non-metal wall and ceiling panels
AttiCat®	Expanding blown-in insulation system
ATTICAT GO!™	For machine for installing blown-in insulation
AtticMate®	Rafter vent
B	
1-800-BASEMENT™	Remodeling, renovation and construction improvements of residential basements
Basement Blanket™	Glass fiber thermal insulation
Basement Finishing System™	Remodeling, renovation and construction improvements of residential basements
Be Ready For Any Weather™	Roofing shingles
Berkshire®	Roofing shingles
BILD-R-TAPE®	Tape used to seal joints, tears, and cracks in building materials
BUILDING SCIENCE - PHYSICS TO THE FIELD™	Providing consultation, knowledge sharing in the nature of consulting, information and advice Providing classes in the fields of building performance modeling and design, building materials installation, building construction and building maintenance
C	
CavityComplete™	Wall system
Cem-FIL®	Glass fibers for use in the reinforcement of cement and concrete
Certified Energy Expert®	Service mark for contractor program
Certified Energy Professional®	Installation of insulation in residential and commercial buildings
 The logo features a stylized black triangle with the text "OWENS CORNING" in a white box across its base. Below the triangle, the words "CERTIFIED ENERGY PROFESSIONAL" are stacked vertically in a serif font, followed by a registered trademark symbol (®).	Installation of insulation in residential and commercial buildings
Chill The Bill®	Insulating Materials
Classic®	Roofing shingles
Cling-Pak®	Wrap for wound packages of glass fiber strands, rovings and mats
ComfortBuilt™	Marketing program to promote energy efficient homes built to specified standards
COMFORT TRACKER™	Mobile app for home energy audits using a thermal imaging device
CommercialComplete®	Wall Systems

Owens Corning Trademarks in the United States

COMPOSE XPS®	Insulating Materials
CONCEIL®	Ceiling panels
COVERALL™	Glass fiber insulation for ceilings for manufactured housing
CRATEC®	Glass fiber chopped strands
Creel-Pak®	Glass fiber roving and packaging
Custom Ink™	Stretch ceiling and wall systems
D	
Deck Defense®	Roofing underlayment
DecoRidge®	Hip and ridge shingles
 ®	Design visualization software and related consultation services
Design EyeQ®	Design visualization software and related consultation services
DESIGNSCAPE®	Interior partitions and dividers, wall panels
Devonshire®	Roofing shingles
DRI-PAK™	Non-metal shingles
DuraFinish™	Coating Technology
DURAPINK®	Extruded polystyrene roofing recovery board
Duraridge®	Non-metal shingles
Duration®	Non-metal roofing
Duration MAX®	Roofing shingles
Duration STORM®	Roofing shingles
E	
EcoTouch®	Insulation
 ®	Insulation
EDUCATION IN INSULATION®	Educational services, namely, conducting courses in the field of building products and installation, and distribution of training materials in connection therewith.
ELAMINATOR®	Installation of the ELAMINATOR system by franchisees
ENCOR®	Insulation used in air handling systems
 ®	Air sealing system
EnergyComplete®	Air sealing system

Owens Corning Trademarks in the United States

	Fabric ceiling system
EUROSPAN®	Sound absorbers and fabric ceiling system
EVOLUTION™	Pipe insulation and sealing tape
F	
Fiberglas®	Roofing shingles
Fiberglas™	Insulation products
FIRELEDGE®	Building insulation and material for thermal insulation and fire protection, namely, fire-resistant composite panels and shapes made of mineral wool
FireSpan®	Building insulation and material for thermal insulation and fire protection, namely, fire-resistant composite panels made of mineral wool
FixtureShield®	Building insulation; and, kits composed primarily of pre-fabricated mineral wool insulation and insulation pins sold as a unit
FlashSealR®	Adhesive tape used for building and construction
FlexMat®	Insulation
FLEXWRAP®	Pipe and tank insulation
FliteStrand®	High performance reinforcement
FlowRo®	Woven reinforcing structure fabric
FlowTex™	Woven reinforcing structure fabric
FoamSealR™	Sill plate gasket
	Extruded polystyrene insulation
FOAMULAR®	Extruded polystyrene insulation sheets
FoodContact™	Glass Fiber Chopped Strands
FreezeFrame™	Fiberglass acoustical panels
G	
GEM®	High temperature insulation used in appliances
GEM GLOBAL ENERGY MASTER®	Computer program to evaluate the cost effectiveness of insulation, windows, and other energy efficiency measures in residential and commercial buildings
H	
High Style®	Hip and ridge shingles
HOMESEAL®	Asphalt roofing membranes
HomeSealR™	Adhesive tape used in building and construction

Owens Corning Trademarks in the United States

HORTIFIBER®	Artificial plant-cultivation soil made of mineral materials; mineral wool formulation to be added to plant-cultivation soil and other growing mediums
HORTIFIBER ROCKWOOL®	Artificial plant-cultivation soil made of mineral materials; mineral wool formulation to be added to plant-cultivation soil and other growing mediums
HydroStrand™	Glass Fiber Chopped Strands
HYDROVAC®	Process for making extruded polystyrene insulation
I	
Illuminator®	Tubular skylight
Impasse®	Acoustical insulation for buildings, namely, sound absorbers and diffusers; mineral wool insulation systems; mineral wool fire insulation and protection systems
InFlow®	Intake vent
INNOVATIONS FOR LIVING®	Non-metal roof vents and ridge vents
INNOVATIONS FOR LIVING®	Installation of building materials
INNOVATIONS FOR LIVING®	Service mark for builder & contractor programs
INNOVATIONS FOR LIVING®	Fiber glass panels; tape used to seal joints, tears and cracks; fiber glass and foam insulation for building and construction; housewrap; polystyrene attic rafter vents
INNOVATIONS FOR LIVING™	Solar attic exhaust fans
Inspect-R®	Gauges for use with insulation
Insul-Drain®	Extruded polystyrene insulated drainage board for below-grade applications
InsulGuard™	Insulation used for water heaters
Insul-Quick®	Glass fiber insulation for high temperature commercial applications
INSULPINK®	Extruded polystyrene basement wall insulation
J	
JointSealR®	Adhesive tape used for building and construction
K	
K-FAC®	Acoustic and thermal insulation for use in the automotive supply, HVAC, appliance and commercial interior industries
L	
LifeMat™	Glass fiber veil used as a mat for lead acid batteries
Lightning Bolt Design	Roofing shingles

Owens Corning Trademarks in the United States

 ®	
LongRidge™	Extended hip and ridge shingle
M	
METALGUARD®	Building insulation and material for thermal insulation and fire protection, namely, composite boards made of mineral wool and rock wool
MicroMax®	Small diameter glass fiber filament reinforcement
MORE ROOM FOR LIVING®	Fiber glass panels for acoustic and thermal insulation; installation of building materials
MOVING AIR FORWARD™	Air handling systems
Multicore®	Fiberglass reinforcement fabric
Multimat®	Fiberglass reinforcement fabric
N	
 ®	Asphalt roofing membranes
NO BACKER BAR™	Metal pins, hangers, and screws for use in and around exterior walls and concrete floors in multi-story construction as part of a fire insulation and protection system
NO BACKER BAR™	Acoustical insulation, sound absorbers and diffusers for building construction; mineral wool insulation; fire insulation and protection systems
NOBODY KNOWS BASEMENTS BETTER®	Installation of building materials; remodeling services
O	
Oakridge®	Roofing shingles
OC™	Glass fiber reinforcements
OC HiLight®	Glass fiber rovings
OC Paneluxe™	Roving for non translucent continuous panel lamination
OC@NYWHERE®	Service mark for product ordering including order entry, pricing, invoicing, and acknowledgment via the internet
OptiFlow®	Chopped glass strands, reinforcement
OptiLiner®	Banded liner system
OptiSpray®	Spray-up multi end roving

Owens Corning Trademarks in the United States

Owens Corning®	Insulation; adhesive tapes; acoustic floor underlayments; fiber glass boards and panels; caulk; protection drainage board for below-grade applications; attic rafter vents
Owens Corning®	Shingles; roof vents; shingle underlayment; tubular skylight; ice and water barriers; asphalt; solar attic fan
Owens Corning®	Installation of the Basement Finishing System™
	See Below
Owens Corning Logo®	Precision drilling and machining - (THE HOLE SOLUTION®)
Owens Corning Logo®	Glass fiber fabrics
Owens Corning Logo®	Glass fiber reinforcements
Owens Corning Logo®	Service mark for builder and contractor programs
Owens Corning Logo®	Movable metal supports for reels of insulation for mounting on the purlins of a roof structure (ELAMINATOR®)
Owens Corning Logo®	Glass fiber insulation for residential, commercial, mechanical, and industrial applications
Owens Corning Logo®	Insulated concrete forming system
Owens Corning Logo®	Extruded polystyrene insulation products
Owens Corning Logo®	Fiber glass panels for acoustic and thermal insulation
Owens Corning Logo®	Caulk; wall framing; mat used under flooring (QuietZone®)
Owens Corning Logo®	Extruded polystyrene attic rafter vents (raft-R-mate®)
Owens Corning Logo®	Vapor retarder
Owens Corning Logo®	Housewrap (PinkWRAP® - TruWrap®)
Owens Corning Logo®	Energy efficiency kits
Owens Corning Logo®	Installation of the Basement Finishing System™
Owens Corning Logo®	Roofing shingles
Owens Corning Logo®	Self-adhesive water resistant underlayment - (WeatherLock®)
Owens Corning Logo®	Asphalt
Owens Corning Logo®	Roof ventilation system, ridge vents (VentSure®)
Owens Corning Logo®	Paving mat (TruPave®)
Owens Corning Logo™	Design visualization software and related consultation services (Design Eye Q®)
Owens Corning Logo™	Solar attic exhaust fans

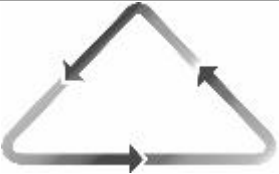

Owens Corning Trademarks in the United States

Owens Corning Logo™	Tubular skylights
Owens Corning Logo™	Sealant (EnergyComplete® sealant)
P	
1-800-GET-PINK®	Insulation
1-800-GET-PINK®	Installation of Building Materials
1-800-GET-PINK®	Attic rafter vents
1-800-GET-PINK®	Roofing shingles
1-800-GET-PINK®	THE TOP OF THE HOUSE® contractor certification program; Preferred Contractor program; and the ProConnect™ referral service
PerforMax®	Roving, continuous roving, chopped strands
PermaMop®	Roofing asphalt
PINK®	Insulation
(The Color) PINK*	Construction tape (BILD-R-TAPE® construction tape)
(The Color) PINK*	Glass fiber insulation Extruded Polystyrene insulation
(The Color) PINK*	Attic rafter vents
(The Color) PINK*	Housewrap
(The Color) PINK*	Packaging for roofing shingles
(The Color) PINK*	Spray sealant for use in building construction (EnergyComplete® System)
PINK ADVANTAGE®	Program to assist building materials dealers in selling building material products, preparing advertising and marketing materials.
PINK is Green®	Building insulation
PINK Cap®	Attic stair insulator
PINKCORE®	Extruded polystyrene insulation and connector ties used in a tilt-up wall system
PINKCORE®	Tight tolerance board
Pink-Drain®	Insulating board for below-grade application
PINKInstall™	Installed sales program
PinkWRAP®	Housewrap
PLATINUM PROMISE™	Extended warranty that covers material, labor, misapplication and contractor workmanship
PLIATEMP®	Insulating materials
PREFERRED PINK®	Program to assist building materials dealers in selling building material products, preparing advertising and marketing materials.
ProArmor®	Roofing underlayment

Owens Corning Trademarks in the United States

ProCat™	Blown-in insulation system
ProConnect™	Resource center
ProDesk®	Contractor customer support services via telephone
ProEdge®	Roofing shingles
ProEdge STORM®	Roofing shingles
PROPINK® or ProPink®	High performance conditioned attic system
PROPINK® or ProPink®	Building construction tape
PROPINK® or ProPink®	Glass fiber loosefill and roll insulation; extruded polystyrene insulating sheathing
PROPINK® or ProPink®	Cleaning Solvent
PROPINK™ or ProPink™	Fabric or netting for the high performance conditioned attic system
PROPINK Complete™	Glass fiber blown-in insulation
PROPINK FastBatt™	Insulation used in building and construction
PROPINK ONE®	Foam sealant
PROPINK SUB-ZERO®	Foam sealant
ProSell™	Computer app for roofing and insulation contractors to use in marketing and in estimating work orders
PulStrand™	Glass fibers; glass fiber rovings
PureFiber®	Insulation technology
PureSolution®	Technology for high temperature commercial and industrial insulation
Q	
QuietR®	Duct board and duct liner
QuietZone®	Glass fiber insulation used for sound control; caulk; wall framing; mat used under flooring
R	
raft-R-mate®	Extruded polystyrene attic rafter vents
RainBarrier®	Moisture managing thermal insulation for buildings
Rapidblade™	Fiberglass reinforcement fabric
REDIPAK energyCOMPLETE®	Spray Sealant
Reshaping Expectations™	Pipe Insulation
ResidentialComplete®	Wall Systems
RESPOND®	Acoustical screens, wall panels, ceiling panels
RidgeCat™	Roof vents
RimSealR™	Foam Insulation Gasket

Owens Corning Trademarks in the United States

RIZERidge®	Non-metal shingles
ROOFING COLOR COMPASS®	Consulting services for roofing materials
ROOFING ESSENTIALS®	Non-metal ridge vents, shingles, shingle underlayment, ice and water barrier, gutter protector
S	
SafingPaks®	Building insulation; and, material for thermal insulation and fire protection, namely, fire-resistant composite batt; clips
SelectSound®	Fiberglass acoustic boards and blankets
ShieldStrand®	High performance reinforcement; Reinforcement fabric made of glass fiber
 ®	Recycling of roofing materials
 ™	Non metal roofing shingles
Silentex®	Continuous filament glass wool for use in the manufacture of industrial silencers and automotive mufflers
Silentex®	Glass fiber roving
Silentex®	Machines for the manufacture of industrial silencers and automotive mufflers
Skyway™	Non-metal ceiling panels
Slurry-Fil®	Glass fiber reinforcement for paving applications
SmartCap®	Recessed light cover
SOFTR®	Glass fiber duct wrap
Sonobatts®	Glass fiber commercial insulation
SoundZero®	Acoustical insulation blankets for buildings
SpecSolutions®	Providing an online computerized database in the filed of information about building materials
SSL®	Pipe jacket insulation
SSL II®	Pipe jacket insulation
SSL III™	Pipe jacket insulation
STICKY STEEL™	Sound dampener
Supreme®	Roofing shingles

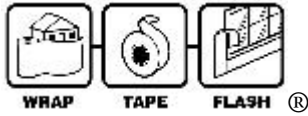

Owens Corning Trademarks in the United States

SureNail®	Extra wide nail zone on shingles
Sustaina®	Glass fiber veil
System Advantage®	Warranty Services
T	
T-Veil®	Non-woven glass veil
Tack-Pak®	Wrap for wound packages of glass fibers
THE HIGH RISE INSULATION EXPERTS®	Building insulation
THE HOLE SOLUTION®	Precision drilling and machining services
THE NAME IN MINERAL WOOL®	Mineral wool insulation; Acoustic and thermal insulation for use in the automotive, HVAC, appliance and commercial interior industries, Acoustical insulation barrier panels; Fire barrier system; fire-resistant boards and panels for construction
The Right Choice®	Non-metal roofing shingles
ThermaCube Plus®	Loose fill glass fiber residential insulation
Thermafiber®	Building insulation; mineral wool insulation; thermal insulation and, fire resistant composite batt and fire-resistant composite panels made of mineral wool and rock wool; acoustical insulation for buildings; acoustical insulation barrier panels and blankets
THERMAFIBER INSOLUTIONS®	Construction consultation; consulting in the field of building construction
THERMAFIBER INSOLUTIONS®	Consulting in the fields of engineering and architecture; technical consulting related to engineering and architectural applications for thermal, sound and fire containment insulation
ThermaGlas®	Glass fiber residential insulation
THERMAPINK®	Extruded polystyrene insulation used in roofing applications
THERMATEX®	Multi--purpose fibrous insulating and acoustical mat for building materials, automotive, aircraft, aerospace and marine parts, furniture, appliances, furnaces and boilers, fireplaces, chimneys, industrial ovens and ducts, and storage tanks
Thermopreg™	Reinforcement fabric made of glass fibers or glass fibers combined with thermoplastic fibers. Semi-finished products in the form of roving, fabric, sheets, panels, plates, and tape based on reinforcement fibers and also including polymer matrix
ThermoRange®	Insulation used in appliances
TOP IT OFF®	Insulating Materials
TOP OF THE HOUSE®	Service mark for builder program
TOPSTOP®	Acoustical insulation for buildings, namely, sound absorbers and diffusers; mineral wool insulation; high temperature mineral wool insulation

Owens Corning Trademarks in the United States

Total Protection Roofing System®	Roofing shingles; vents; and underlayment
Triple Layer Protection®	Non-Metal Shingles
Tru-Bond®	Roofing shingles with sealant
TruBlack™	Asphalt
TruBlend®	Asphalt
TruDef®	Non-metal shingles
TruDefinition®	Non-metal shingles
 	Non-metal shingles
TruFlow®	Asphalt coatings
TRUFOLD®	Foam insulation for use in building and construction
Trumbull®	Asphalt
TruLo®	Asphalt used in roofing applications
TruLoc®	Granule retention technology
TruMatch®	Roof accessory paint
TruPave®	Paving mat
TRU PROtection®	Warranties covering repair and replacement services in the field of building construction including product and labor
 	Warranties covering repair and replacement services in the field of building construction including product and labor
TruShape™	Tooling
Trusted Contractors. Proven Products. ®	Program for roofing contractors
TruWRAP®	Housewrap
Tuff-Pak®	Packaging for shingles
Turn Building Science Into Building Genius™	Insulating materials; Non-metal roofing shingles; consulting and analytic services in the filed of home construction and building
Type 30®	Glass fiber roving
U	
Ultrablade®	Fiberglass reinforcement fabric
ULTRABATT™	Mineral wool insulation
Ultrapipe®	Glass fiber reinforcement fabric

Owens Corning Trademarks in the United States

Uniconform®	Felts, fabrics and mats made with glass fibers for textile use; and glass fibers and mats of glass used for the reinforcement of plastic, rubber, paper, metal, bitumen, plaster, cement, composite materials other than for insulation or for textile use
Unifilo®	Glass fibers used to reinforce plastics; woven and unwoven textiles of glass fiber for use in reinforcing plastic; yarns and threads formed of glass fibers for textile use
UtiliCore®	Insulation
UtiliWrap®	Fiberglass packing materials, namely packaging, insulation, drainage and cushioning
V	
VaporWick®	Glass fiber insulation used in commercial and mechanical applications
VentSure®	Roof ventilation system, ridge vents; solar attic exhaust fans
VersaBoard®	Building insulation; mineral wool thermal insulation
VersaMat®	Insulating material used in the building and construction industry
VersaMat®	Insulating material used in the HVAC, appliance, commercial interior, and automotive industries
W	
Warm-N-Dri®	Glass fiber insulation board applied to foundation
WeatherGuard®	Roofing shingles
WeatherLock®	Self-adhesive water resistant underlayment
Weather PROtector®	Ridge vent
WHEN PERFORMANCE MATTERS®	Building insulation
WHEN PRIVACY MATTERS®	Building insulation; and, acoustical insulation for buildings
WindStrand®	High performance glass fiber roving
Woodcrest®	Non-metal roofing shingles
Woodmoor®	Non-metal roofing shingles
Woodstart®	Non-metal roofing shingles
	Housewrap and tape
X	
XStrand®	High performance reinforcement
