

ONE-ON-ONE CONSULTATION

LET'S START BY BUILDING A RELATIONSHIP.

From the initial design to the final walk-through, we'll be by your side to help assess project needs, define your objectives and offer solutions that are unique to your specific project. We'll even work with your trades for the training needed to do the job right.

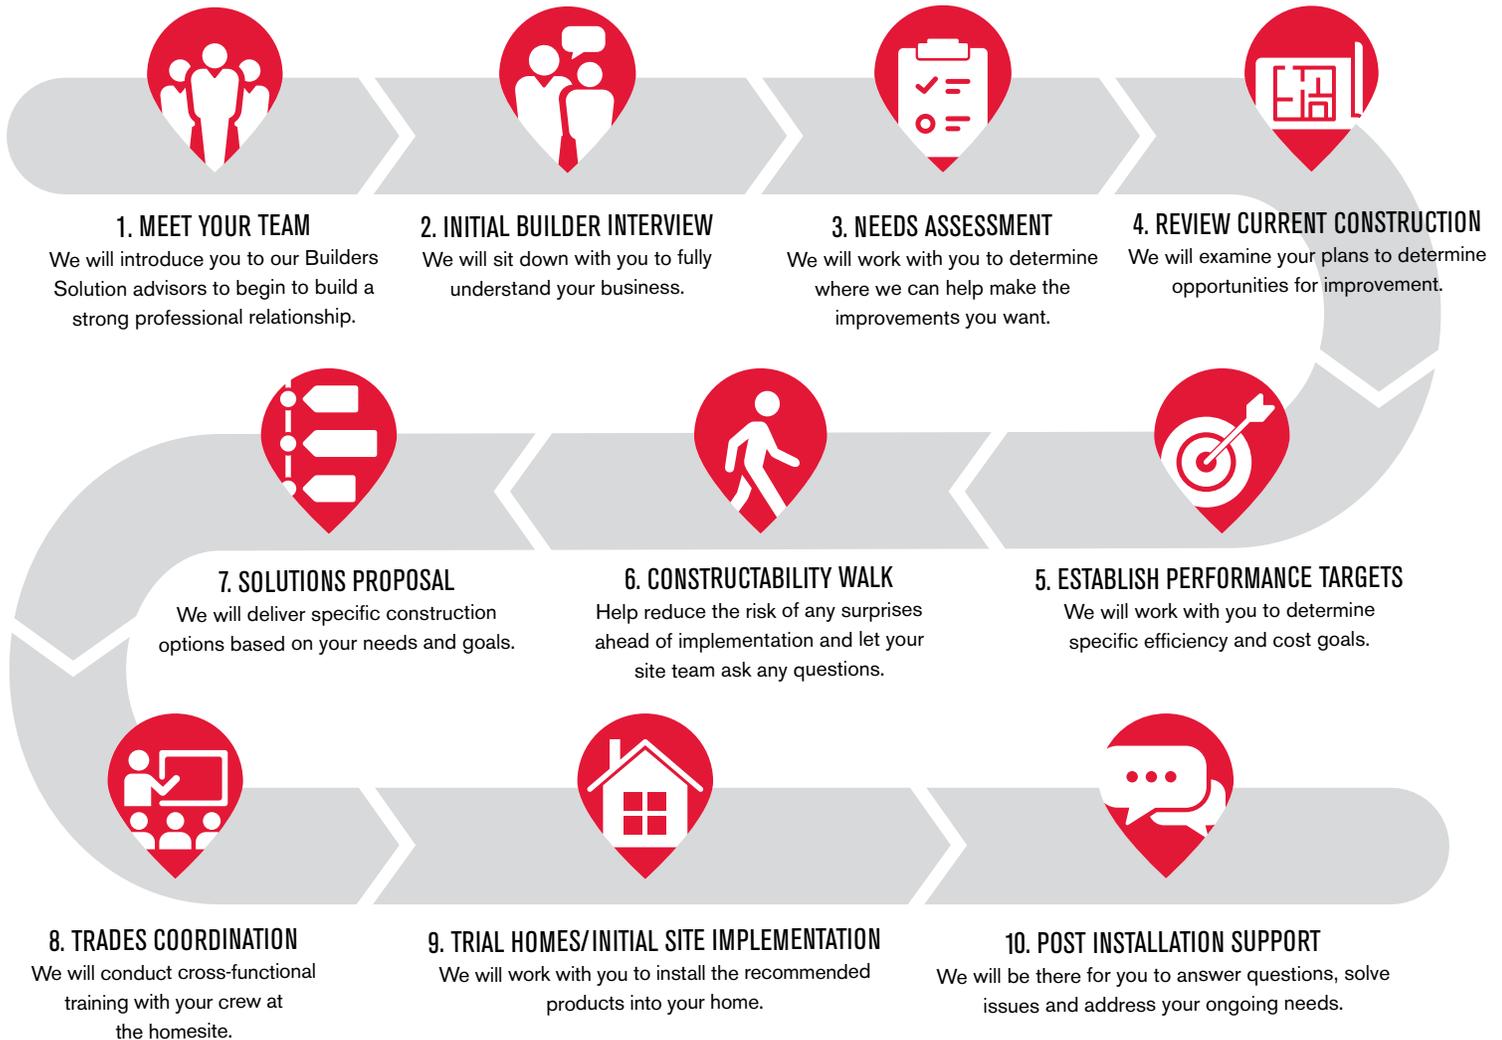

Discover what we can do for you so every home you build will deliver the highest performance standards at the lowest possible cost you can rely on. Every step of the way.

ONE-ON-ONE CONSULTATION. ONE-OF-A-KIND INSIGHTS.

Building a business is a constant series of challenges. But with Owens Corning by your side, it's a little easier. At Owens Corning, our Builders Solution Services includes a 10-step process that lets you leverage our expertise to help you build your business. Help improve your efficiencies.

Because your job is to exceed the uncompromising demands of your homebuyers. And you can rely on us every step of the way.

COLLABORATION

It's all about what you're trying to accomplish and how we can help you accomplish it. That's why we bring in a wide range of expertise—from marketing to sales to building science—to understand your needs and collaborate with you to create the best outcomes. It's a true relationship. And Owens Corning can provide it.
