

# MULTI-PURPOSE FIBERGLASS INSULATION

Owens Corning® Multi-Purpose roll is ideal for a variety of small insulating projects. It offers exceptional thermal and noise control performance and can be cut to size to tuck into gaps around outlet boxes, windows and doors, or other small projects.

## Features

- Convenience – Eliminates the need for a larger roll
- Lightweight – Easy to transport and handle
- R-6.7 – Saves energy
- Reduces sound and heat transmission – Reduces energy loss and noise infiltration

## Application

- Ideal for small projects where saving energy or reducing noise is desired
- Unrolls and cuts easily for spot insulation
- Insulates gaps around windows, doors, air conditioners, outlet boxes, and other small objects

## Packaging

PROPERTY	VALUE
Roll Dimensions	16" x 48" x 2"
Carton Size	36" x 24" x 36" high
Rolls per Carton	40

- All pallets are shrink-wrapped
- The product is top-loaded on insulation trucks
- The minimum order quantity is four cartons

## Certifications and Sustainable Features

- GREENGUARD Certified products are certified to GREENGUARD standards for low chemical emissions into indoor air during product usage. GREENGUARD validated to be Formaldehyde free. For more information, visit [ul.com/gg](http://ul.com/gg).
- Environmental Product Declaration (EPD) has been certified by UL Environment.

## Environmental and Sustainability
