Supreme® Shingles

Our three-tab shingles offer everything you need in a great roof—curb appeal, weather resistance, solid value and durability. In addition to a 60-MPH Wind Resistance Limited Warranty* and Class A UL Fire Resistance—the industry’s highest—Supreme® shingles have a 25-Year Limited Warranty.* 
Visit owenscorning.com/roofing to learn more.

ENERGY STAR® is for roofs too

Similar to the energy-efficient appliances in your home, roofing products can help provide energy-saving qualities. Owens Corning® Supreme roofing shingles in Shasta White can help reduce your heating and cooling bills when installed properly. These shingles reflect solar energy, helping to decrease the amount of heat transferred to a home’s interior—and the amount of air conditioning needed to keep it comfortable. Actual savings will vary based on geographic location and individual building characteristics. Call 1-800-GET-PINK® or 1-888-STAR-YES for more information.

**TOTAL PROTECTION. TOTAL CONFIDENCE.®**

The most important part of the roof? All of them.

It takes more than just shingles to protect a home. It takes an integrated system of components and layers designed to withstand the forces of nature outside while controlling temperature and humidity inside. The Owens Corning® Total Protection Roofing System® gives your customers the assurance that all of their Owens Corning® roofing components are working together to help increase the performance of the roof — and to enhance the comfort and enjoyment of those who live beneath it.
