TruDefinition®
DURATION® & OAKRIDGE® Shingles
Two beautiful ways to enjoy truly extraordinary color.

At Owens Corning Roofing, TruDefinition® is our color design platform trademark on shingles that are specially formulated to capture the bright, vibrant hues and deep, dramatic shades that showcase the aesthetic appeal of your home. And now, you can enjoy truly bold contrast and rich, deep dimension with TruDefinition® Oakridge® Shingles as well as TruDefinition® Duration® Shingles with patented SureNail® Technology. Both shingle choices use multiple-granule colors and shadowing to provide a spectacular look that will enhance your home and complement its natural surroundings. So no matter which shingle is right for your home, you’ll never have to compromise on color.

### TruDefinition® Duration® Shingles with patented SureNail® Technology

TruDefinition® Duration® Shingles feature our patented SureNail® Technology — a technological breakthrough in roofing that adds the strength of Triple Layer Protection® to your roof.

- Limited Lifetime Warranty*/†† (for as long as you own your home)
- 130-MPH Wind Resistance Limited Warranty*
- StreakGuard™ Protection with a 10-year Algae Resistance Limited Warranty.*
- SureNail® Technology

### TruDefinition® Oakridge® Shingles

TruDefinition® Oakridge® Shingles feature the bold contrast and deep dimension of TruDefinition® color in a shingle that provides a beautiful step up from traditional three-tab shingles.

- Limited Lifetime Warranty*/†† (for as long as you own your home)
- 110/130‡ MPH Wind Resistance Limited Warranty*
- StreakGuard™ Protection with a 10-year Algae Resistance Limited Warranty.*

---

* See actual warranty for complete details, limitations and requirements.
† Owens Corning strives to accurately reproduce photographs of shingles. Due to manufacturing variances, the limitations of the printing process and the variations in natural lighting, actual shingle colors and granule blends may vary from the photo. The pitch of your roof can also impact how a shingle looks on your home. We suggest that you view a roofing display or several shingles to get a better idea of the actual color.
†† To accurately judge your shingle and color choice, we recommend that you view it on an actual roof with a pitch similar to your own roof prior to making your final selection. Color availability subject to change without notice. Ask your professional roofing contractor for samples of colors available in your area.
‡ 40-Year Limited Warranty on commercial projects.
‡‡ Applies for all areas that recognize a Miami-Dade Notice of Acceptance (NOA).
** The amount of Triple Layer Protection may vary on a shingle-to-shingle basis.
^ Excludes non-Owens Corning® roofing products such as flashing, fasteners, pipe boots and wood decking.

For patent information, please visit www.owenscorning.com/patents.

SureNail® Technology is available only on Owens Corning® Duration® Series Shingles. SureNail® Technology is not a guarantee of performance in all weather conditions.

ENERGY STAR and the ENERGY STAR mark are registered trademarks of the U.S. Environmental Protection Agency.

Shingles are algae resistant to help control the growth of algae and discoloration.
