below (one product from each category where applicable) with any Owens Corning shingle,

Owens Corning® Roofing Shingles and Components

WHO IS COVERED

To be entitled to the benefits of this Standard Product Limited Warranty (1) your property

must be located in the United States or Canada; and (2) you must be the original

consumer purchaser (the property owner, not the installer or contractor) of the roofing

shingles and components.

WHAT IS COVERED

ROOFING SHINGLES: We warrant that your Owens Corning® roofing shingles and

Owens Corning® Hip & Ridge shingles are free from any manufacturing defects that (1)

materially affect their performance on your roof during the TRU PROtection® period or that (2)
cause leaks during the balance of the applicable warranty period after the TRU PROtection®

coverage period has expired. To determine the length of the TRU PROtection® coverage period

and the balance of the applicable warranty period, please see “How Long Are You Covered”

below and the “Limited Warranty Information Table” at the end of this warranty.

ROOFING COMPONENTS: Warranty coverage for Owens Corning® Hip & Ridge shingles,

including Berkshire®, DecoRidge®, DuraRidge®, ProEdge®, and RIZERidge® and WeatherGuard® HP

matches the corresponding roofing shingle. For all other Owens Corning roofing components,

when you install three (3) or more of the five (5) Owens Corning roofing component lists

below (one product from each category where applicable) with any Owens Corning shingle,

the warranty coverage for manufacturing defects and the coverage period will match the

warranty of your shingles. Please see “How Long Are You Covered” below and the “Limited Warranty

Information Table” at the end of this warranty for warranty periods. If less than three (3) Owens Corning®

components are used, these warranties will be warranted for the length of time as defined in their individual product warranties. See individual component warranties for more detail.

Owens Corning roofing component categories:

a. Owens Corning® Hip & Ridge shingles including Berkshire®, DecoRidge®,

DuraRidge®, ProEdge®, and RIZERidge® and WeatherGuard® HP.

b. Owens Corning® VentSure® products (intake vent or exhaust vent) if a VentSure®

intake vent AND VentSure® exhaust vent are both used; this counts as one (1) of the

three (3) requirements listed above with any other shingles and components.

c. Owens Corning® brand roof underlayment products, RhinoRoof® U20 roof

underlayment, Titan® brand synthetic roof underlayment products, or

FIBERGLAS® Reinforced Felt.

d. Owens Corning® Starter Shingle products;

e. Owens Corning® WeatherLock®, Titanium® or RhinoRoof® Self-Adhered Ice & Water

Barrier products.

This warranty does not cover non-Owens Corning® roofing components such as flashing,

fasteners, pipe boots and wood decking. The warranty on Owens Corning® Roofing Shingles

or Components is different than Owens Corning® Roofing Shingles warranty. If you have

purchased a shingle after January 1, 2020 and before the date a later warranty applicable to the

shingles comes into effect.

HOW LONG ARE YOU COVERED

ALL IMPLIED WARRANTIES APPLICABLE TO YOUR ROOFING SHINGLES AND COMPONENTS

ARE LIMITED IN DURATION TO THE TRU PROtection® COVERAGE PERIOD APPLICABLE TO

SUCH PRODUCTS, AS PROVIDED BY THIS WARRANTY UNLESS A SHINGLE WARRANTY IS

PERMITTED BY APPLICABLE LAW. SOME STATES OR PROVINCES DO NOT ALLOW

LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS, SO THE ABOVE LIMITATION

MAY NOT APPLY TO YOU.

1. TRU PROTECTION® PERIOD: From the installation of the shingles through the

TRU PROtection® coverage period described below, Owens Corning will compensate you to either repair, replace, or recover defective Owens Corning® roofing shingles and components. The compensation provided by Owens Corning is limited to the cost of replacing Owens Corning® roofing shingles and components and the labor directly required to repair, replace or recover such products. In no event will Owens Corning compensate for any defectively manufactured products as reasonably determined by Owens Corning. Our compensation will not cover any non-Owens Corning® underlayment, metalwork, flashings or other related work, and we will not cover the cost to remove or dispose of your roofing materials. The TRU PROtection® coverage period does not apply to Wind and Algae coverage. Please see “What About Wind Resistance” and “What About Algae Resistance” portions of this warranty for applicable coverage. Owens Corning reserves the right to arrange directly for the repair or replacement of your Products instead of compensating you directly. This compensation is limited as follows:

A. If Owens Corning decides to replace the shingles or components, Owens Corning will compensate you only for the cost of replacement Owens Corning® shingles or components and the labor directly required to replace the defective shingles, both as reasonably determined by Owens Corning.

B. If Owens Corning decides to repair or recover the shingles, Owens Corning will compensate you only for the cost of the labor directly required to repair or recover the defective shingles as reasonably determined by Owens Corning.

The TRU PROtection® coverage period does not apply to wind and algae coverage. Please see “What About Wind Resistance” and “What About Algae Resistance” below for applicable coverage.

2. PRORATED PERIOD: Once the TRU PROtection® coverage period for the

Owens Corning® roofing products purchased has expired, the prorated period will begin. During this prorated period, we will provide prorated compensation of the cost of the defective Owens Corning® products, but no labor or other costs will be covered during this prorated period, and we will not take into account the full extent of use that you have enjoyed from the original installation date through the date of your claim and reduce the amount of our compensation to you accordingly. We will prorate the amount of our compensation to you to adjust the number of years you have enjoyed from the original installation through the date of your claim. For example, if you purchased a shingle with a Lifetime warranty and three (3) or more Owens Corning components and you make your claim in the 15th year of the warranty, we will not cover labor but our compensation to you will be 72% of the Owens Corning® roofing shingles and components you purchased and the TRU PROtection® coverage period will be five years. Further detail can be found on the “Limited Lifetime® Roofing Shingles and Components Proration® Table” below.

3. OTHER TYPES OF STRUCTURES: The coverage for the Owens Corning® roofing products offered by this warranty depends on the structure of the shingles are installed and the owner of the structure. Lifetime coverage for all Owens Corning® shingles and components is only to single-family dwellings where the property owner is the resident occupying the home. In the instance of roofing products purchased or installed upon property owned by others, for example, corporations, governmental agencies, partnerships, trusts, religious organizations, schools, condominiums, homeowners’ associations, or cooperatives, the homeowner or property owner shall assume all the responsibility and risk for any repairs and warranties, and, where the homeowner or property owner is not the resident occupying the home, the warranty will be void. The warranty will be 40 years from the original installation date of the roofing shingles and components, and the TRU PROtection® coverage period will be five years. Further detail can be found on the “Limited Lifetime® Roofing Shingles and Components Proration® Table”. Owens Corning reserves the right to arrange directly for the repair or replacement of your Products instead of compensating you directly.

A. For as long as owner owns home.

** Proration is calculated annually based on the original installation date. There are no partial year prorations.

4. EXCEPTIONS: All of Owens Corning’s obligation of Compensation under this warranty for repair, replacement, or refunding a prorated portion of the cost of any defective products, the cost of any replacement Owens Corning® products will be warranted only for the remainder of the original warranty period. Owens Corning® Shingles will not provide compensation for any underground utility, metalwork, flashings or related work, and will not compensate for the cost to remove or dispose of your Roofing Shingles and Components.

5. WHAT ABOUT WIND RESISTANCE: Your shingles and Hip & Ridge (the Shingle Products) contain asphalt sealant that requires direct warm sunlight for several days (Thermal Sealing) in order to seal properly. If your Shingle Products are installed during a severe cool weather, they may not adequately seal until the season changes or the weather warms, and if your Shingle Products never receive direct sunlight or are not exposed to adequate surface temperatures, they may never achieve Thermal Sealing. Prior to your shingles achieving Thermal Sealing, your Shingle Products are more vulnerable to blow-offs and wind damage. This is the fundamental nature of Shingle Products and not a manufacturing defect, and we are not responsible for any blow-offs or wind damage that might occur prior to Thermal Sealing having occurred. After your Shingle Products have achieved Thermal Sealing, however, they will be covered under this warranty if they experience blow-offs or wind damage in winds (including gusts) up to the levels and for the period from the original installation date (“Wind Warranty Period”) listed in the “Limited Warranty Information Table” listed in the chart at the end of this warranty.

H owever, the coverage against Shingle Product Blow-Offs or Wind Damage is IN EFFECT FOR A PERIOD OF 15 YEARS FROM THE ORIGINAL DATE OF INSTALLATION. Owens Corning will be liable only for the reasonable cost of replacing blow-off Shingle Products (to include material and labor during the applicable TRU PROtection® warranty period) and the reasonable cost of manually sealing the unsheared Shingle Products remaining on the roof. Owens Corning is not responsible for any blow-offs or blow damage caused by dams caused by the underlayment structure.

6. WHAT ABOUT ALGAE RESISTANCE: If the Shingle Products that you purchased were not specifically labeled as “Algae Resistant” (AR), then any discoloration caused by algae is not covered by this warranty as explained in the section below, “What Is Not Covered” below. However, if you did purchase AR Shingle Products, they are covered for the period described in the “Limited Warranty Information Table” at the end of this warranty for the balance of the warranty period, subject to the lifetime of the AR Shingle Products. Furthermore, discoloration caused due to growth of cyanobacteria Gloeocapsa magma algae. We do not cover the effects of other growth such as mold, lichen, and green algae. If brown-black staining occurs during the AR Warranty Period, you will be entitled to the following remedy.

A. Remedy for Algae Growth: If your AR Shingle Products are discolored due to cyanobacteria algae growth during the first year of the AR Warranty Period, we will compensate you for the cost, including labor (such cost not to exceed the cost of the AR Shingle Products plus the cost of labor) that is reasonably determined by Owens Corning, to repair, replace or recover the affected AR Shingle Products. For purposes of this AR Shingle Products warranty, the term “repair” as used above refers to cleaning or otherwise removing any algae growth from affected AR Shingle Products. Decisions regarding whether your AR Shingle Products should be repaired, replaced or recovered will be made solely by Owens Corning.
B. Proration: If your AR Shingle Products have been installed longer than 1 year, labor will not be covered and compensation will be limited to a prorated amount of the cost of the affected AR shingles. We will prorate your compensation to take into account the number of full years of use that you have enjoyed from the original installation date through the date of your claim. For example: If you make your claim anytime in the 4th year of the AR warranty and the AR Warranty Period is 10 years, our compensation to you will be the amount of the cost of the affected Owens Corning® AR Shingle Products reduced by 3/10ths of the cost of the affected AR Shingles.

NOTE: In dry regions with limited rainfall, copper released by algae resistant shingles can cause excessive corrosion to aluminum gutters and will not be liable for any damage that may result from using aluminum gutters with algae resistant shingles.

TRANSFERABILITY OF THIS WARRANTY (NOTE: BASED ON ORIGINAL INSTALLATION DATE)

This warranty is not transferable except as follows: You may only transfer this warranty 1 time, anytime during the life of the warranty to the purchasers of the structure on which the Owens Corning® Roofing Shingles and Components are installed in accordance with all applicable laws and other restrictions. In order to be eligible to receive the benefits of this warranty, the second Owner must have purchased the property from the first Owner within 60 days of the date of the real estate transfer contact (1-800-ROOFING and submit together (1) proof of purchase of the Owens Corning® roofing shingles and components, and (2) the installation date and ownership history.

(1) If the transfer takes place within the TRU PROtection® Nonprorated period (see “Limited Warranty Information Table”), the second Owner is entitled to the same coverage as the original Owner.

(2) If the transfer occurs after the TRU PROtection® Nonprorated period (see “Limited Warranty Information Table”), the balance of this warranty shall be reduced to a 2 year period after the date of ownership change. If there is a manufacturing defect that causes leaks during this 2 year period, our compensation to the second Owner will be based only on the reasonable cost of replacement of the Owens Corning® roofing shingles and Components reduced by the amount of the second Owner and the original Owner.

(3) The AR Warranty Period and Wind Warranty Period are fully transferable. The second Owner will receive the balance of the coverage outlined in the “Limited Warranty Information Table” based on the original installation date.

WHAT IS NOT COVERED

Our warranty does not cover damage to the Owens Corning® roofing shingles and components products due to any cause not expressly covered in this warranty. After our roofing products leave our manufacturing facilities, they are subject to conditions and handling beyond our control that could affect their performance. This warranty does not cover any problems with non-defective roofing products caused by conditions or handling beyond our control. Some examples of conditions not covered by this warranty include:

1. Acts of God, such as hail, strong storms or winds (including gusts) over the maximum wind speed listed in the “Limited Warranty Information Table” at the end of this warranty, ice damming above the area covered by leak barriers or flashings or snow or water infiltration through exhaust vents.
2. Damage to or failure of the roofing products as a result of damage to or the failure of the underlying roofing structure, or failure and/or rusting of roof nails.
3. Foot traffic on your roof or damage caused by objects (e.g. tree branches) falling on your roof.
4. Improper or faulty installation of your roofing products – installation must be in accordance with our written installation instructions and comply with local building codes.
5. Shading, or variations in the color of your Owens Corning® Shingle Products or discoloration caused by algae, fungi, lichen or cyanobacteria (unless covered under the section “What About Algae Resistance” above).
6. Damage caused by improper or inadequate roof ventilation or roof drainage, unvented attic or enclosed roof rafter assemblies.
7. Settlement of the structure of your property or buckling or cracking of the deck over which your roofing products are installed.
8. Leaks caused by pre-existing conditions, structural failures(s) or damaged area(s) on or near the roof that are not part of the roofing shingles and components such as chimneys that have loose or cracked mortar; skylight seams, or soil pipe boots allow water to enter the structure roofing shingles and components.
9. Damage to the shingles caused by alterations made after completion of application, including structural changes, equipment or solar panel installation, power washing, painting or the application of cleaning solutions, coatings, or other modifications.
10. Any damage due to debris, rains or drippings from foliage.
11. Improper storage, handling or other conditions beyond our control.
12. Damages caused by, or the cost to repair or replace, any non-Owens Corning® products.
13. Improperly designed or installed gutter or downspout systems.
14. Any costs that you incur which are not authorized in advance by Owens Corning.

REPLACEMENT SHINGLE VARIATIONS

As a result of our ongoing efforts to improve and enhance our roofing products, we must reserve the right to discontinue or modify our shingle and component products, including their colors. We are not liable to you if you make a warranty claim in the future and any replacement roof products or components may have different colors and/or new features or enhancements from those offered in our product line. You should understand that if we replace any of your shingles or component products under this warranty, we reserve the right to provide you with substitute shingles or component products that are comparable in quality and price to your original shingle or component products.

COMPENSATION

Under the terms of this warranty, the manner of compensation is at Owens Corning’s sole discretion and may be arranged directly by Owens Corning or issued in the form of cash settlement and/or material credit for Owens Corning® Products to an existing supplier of Owens Corning® Roofing materials. All costs must be pre-approved by Owens Corning.

CLAIMS PROCESS & RIGHT OF INSPECTION

To make a claim under this warranty, you must do so within 30 days after you discover the problem. To fully evaluate your claim, we may ask you to provide, at your expense, pictures of your shingles or shingle samples for us to test. You must do so in order to be eligible to make a claim under this warranty. To make a claim or if you have any questions, do not hesitate to contact our Customer Service at www.owenscorning.com/roofing. If you repair or replace your Owens Corning® products before Owens Corning has made a determination on your claim, your claim may be denied. Owens Corning shall have a reasonable time after notification of a claim to inspect the roof. If requested by Owens Corning, the owner shall provide Owens Corning with reasonable access to the roof, during normal business hours, for the purpose of conducting an inspection of the roofing products.

NO MODIFICATIONS TO THIS WARRANTY

The terms of this warranty may not be modified (whether by a statement, omission, course of dealing or any act), except in writing signed by an officer of Owens Corning or a licensed attorney in the Owens Corning legal department or by the Owens Corning Technical Inspection Leader. Other than such an officer or attorney or Technical Inspection Leader, no Owens Corning employee, representative or agent (including a contractor, an installer or otherwise) has authority to act on behalf of Owens Corning (for example to waive or modify this warranty, to make representations or warranties or to undertake any liability). This warranty represents the entire agreement between the parties and replaces all other communications, warranties, representations and guarantees.

MANDATORY ARBITRATION

To the extent permitted by applicable law, Owens Corning and you agree to arbitrate all disputes and claims arising out of or relating to this warranty or Owens Corning® shingles (“Dispute”). This warranty evidences a transaction in interstate commerce, and the Federal Arbitration Act governs the interpretation and enforcement of this provision. A party who intends to seek arbitration must first send to the other, by certified mail, a written notice of intent to arbitrate (“Notice”). The Notice to Owens Corning should be addressed to: One Owens Corning Parkway, Toledo, Ohio 43699 (“Arbitration Notice Address”). The Notice must state: (a) the nature of the Dispute and the basis of the claim or dispute; and (b) that the specific relief sought (“Demand”). If the parties do not reach an agreement to resolve the claim within 30 days after Notice is received, you or Owens Corning may commence an arbitration proceeding.

You and Owens Corning hereby waive the right to a trial by jury.

You and Owens Corning may be subject to the laws of the State and/or Province in which the structure is located and those laws may not be the same as the laws of your State or Province.

Savings and Severability

To the extent that this warranty is inconsistent with applicable law, this warranty is hereby modified to conform with such applicable law. If an arbitrator or court determines that any term in this warranty is illegal or unenforceable, the parties intend for the arbitrator or court to modify this warranty to effect the original intent of the parties as closely as possible while rendering the term and this warranty fully legal and enforceable. If a term in this warranty cannot be rendered legal and enforceable accordingly, the parties intend for the arbitrator or court to sever the illegal or unenforceable term from this warranty, leaving the remainder of this warranty enforceable.

Limitations

No Dispute may be brought later than 1 year after any cause of action has accrued, after which all disputes are forever barred.

This warranty is your exclusive warranty from Owens Corning and replaces the sole remedy for any alleged breach of any roof, roofing, roofing shingles and components. Owens Corning makes no other representations, warranties or guarantees of any kind other than those stated explicitly in this warranty.

Your remedy for defective shingles or Owens Corning® Roofing Shingles and Components is fully described in the above section, “How Long Are You Covered”. You are not entitled to anything more than what is described in that section. Owens Corning has no reason to know any particular purpose for which you are buying roofing shingles or components.

Owens Corning is not responsible for any incidental, consequential, special, punitive, or other damages of any kind including damage to your structure or to your structure’s contents whether for breach of this warranty, negligence, strict liability or other claims derived in tort or for any other reason.

Some states or provinces do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

For Canada Only — The terms in this warranty, except to the extent lawfully permitted, do not exclude, restrict, or modify but are in addition to any provincial laws.
